

# Dell Precision M4700

## Dell Precision Workstations

Precision is the key element that separates greatness from everything else. Dell Precision is your key tool whether your job requires you to design digital content, work with CAD models, analyze manufacturing processes or any other performance intensive application. Our workstation-class products offer superb performance, innovative smart design and ISV certified dependability to maximize your productivity and reliability.

## Meet the Dell Precision M4700

The M4700 is the world's most powerful 15" mobile workstation, with the performance, battery life and storage for demanding work environments.

## Superb Performance

Sacrifice nothing. The Dell Precision M4700 combines laptop mobility and workstation-class performance into a dependable, highly agile system that brings your projects to life with:

- 3rd Generation Intel® Core™ i5 and i7 processor options up to Extreme Edition
- AMD FirePro and NVIDIA Quadro graphics options enable you to run high-end graphics for all of your professional needs, from rendering to modeling complex simulations.
- Expansive DDR3 memory with four DIMM slots for up to 32GB<sup>1,2</sup> of 1600MHz memory or up to 16GB<sup>1,2</sup> of 1866MHz memory for blistering performance
- Big jobs require big storage, and the Dell Precision M4700 offers hard drive space to spare, with large drive options, Mini Card and RAID options, plus the flexibility to add even more storage with an optional optical bay module.
- Keep it cool and make it last. Quiet-running dual fans can help increase component longevity and extend battery life.

## Innovative Smart Design

Work smarter with state-of-the-art design and intuitive purpose driven features. No matter where your work takes you the Dell Precision M4700 provides superb mobility and functionality:

- Stay productive in low-light environments with the optional backlit keyboard
- Astonishing 15.6" display options provide accurate color reproduction and brilliant images. The Dell UltraSharp™ IPS RGBLED display with PremierColor technology offers 100% Adobe RGB color gamut for the utmost in color precision

- 100% BFR/PVC free<sup>10</sup>, ENERGY STAR 5.2 qualified and EPEAT registered<sup>11</sup> to offer you our most environmentally responsible mobile workstation product yet

## Certified Dependability

Designed for professionals who demand strength and reliability, the M4700 is built for a long life of dependable service with:

- Get all day battery life and beyond with optional secondary slice battery and optional NVIDIA® Optimus™ technology which intelligently provides graphics performance when you need it and can help extend battery life when you don't
- ISV certification to help ensure reliability for demanding applications
- Designed durable with a light yet strong magnesium alloy structure clad in sleek, rigid, anodized aluminum and MIL-STD-810G tested for extreme temperatures, humidity, vibration, dust, altitude and shock
- When security is key Dell has you covered with FIPS certified fingerprint readers, FIPS certified self encrypting drives and Dell Data Protection | Encryption
- Quickly remove your hard drive and swap it with another or store it for security reasons with the tool free easy eject primary drive bay

## Beyond-Your-Expectations Service

Rest assured that your Dell Precision mobile workstation will be well protected should an issue arise. Dell can get you up and running quickly and help you stay productive with responsive service and technicians.

- Optional Dell Configuration Services incorporates hardware, images, applications, peripherals and documents with your system as it's built to help simplify and speed up deployment, while improving consistency and compatibility.
- Dell's premium support service, ProSupport<sup>3</sup>, features 24/7 direct telephone access to advanced-level technicians based in your region to end downtime and resolve problems quickly.
- ProSupport's Collaborative Support feature provides assistance even if you have a problem with non-Dell hardware or software. We will leverage our relationships with over 75 top third-party vendors to act as your single point of contact to help resolve your issue.
